

2012 Ministry of Flowers at Old South United Methodist Church

Say it with flowers this year. Consider honoring someone special, celebrate a birthday or anniversary or remember a loved one. Simply circle the Sunday(s) you would like to give the flowers that will grace our sanctuary during worship. Each week our florist provides two vases of flowers. Please indicate if you would like to give one vase (\$20) or both vases (\$40). Let us know who is being honored, celebrated or remembered and if you wish to take the flowers or leave them to be delivered to those who are ill, homebound or in need a bit of cheer.
